

# KICK OFF SOMETHING AMAZING FOR THE WORLD CUP 2026!

CHARITY SWEEPSTAKE - FIFA WORLD CUP  
11th June - 19th July 2026

## How to take part -

Make every match matter this World Cup by hosting your own sweepstake in support of Leeds Children's Charity. Whether you're watching with friends, family or colleagues, a sweepstake adds extra excitement to the tournament - while helping create life-changing experiences for children across Leeds.

There are several ways to get involved depending on your group size. Smaller groups can each pick two teams — one from the Seeded pot and one from the Unseeded pot — giving everyone a mix of strong and underdog teams. For bigger groups or office-wide sweepstakes, each person can simply take one team each from the full list for a faster, high-energy draw.

Once teams are assigned, add them to the sheet so everyone can track progress throughout the tournament. Keep it shared or displayed so it stays part of the conversation, and let the competition unfold. However you take part, the aim is simple — enjoy the tournament, back your teams, and have fun while supporting Leeds Children's Charity!
